<b>1961-1966</b> Side Frame Rail Wire Retainers. WR-616 .....	\$4.75 ea.
--	------------

<b>1967-1972</b> All. Retains positive battery cable to side frame rail. WR-672 .....	\$3.00 ea.
---	------------

# Electrical ( Group 2 )

If you are looking for the **Best Reproduction** of the original **Delco** Batteries, this is it! They are manufactured from original tooling using today's advanced technology. All batteries have the correct "**Delco**" and "**Energizer**" trademarks embossed into the rubber casing. All dimensions are correct as original. The "**Tar Top**" versions feature correct caps. The "**Hardtop**" versions come complete with "**Delco Eye**". Batteries are shipped dry charged and can be stored virtually forever. Battery acid can be obtained locally. Batteries are sold as pictured, however, we can reverse posts from front to rear if desired. (Sorry, no COD's on batteries).

Delco Replacement Batteries are also available for most Buicks;  
Please ask for your model / year.

"Tar Top"  
"DC-12"

"Hard Top"  
"Energizer"  
(with Delco eye)

1965 GS with bottom

# Electrical ( Group 2 )

## Battery Cables

Our **battery cables** listed below for **TOP POST** batteries are made with heavy duty two (2) gauge copper wire, covered with black insulation.

Our reproduction "**Spring Ring**" cables are made from GM blueprints to be identical to the originals in fit and functions. They are sold in pairs. "Spring Ring" cables are also sold individually.

*Inquire!*

DT-575 .....\$ 8.25 ea.

# Electrical ( Group 2 )

## DATE CODED SPARK PLUG WIRE SETS

For those requiring the best for their show ready car, these reproduction wire sets are unsurpassed. They are manufactured to original GM blueprint specifications. They include the proper boots, terminals, script and correct factory length. All wires are carbon core for radio suppression. They come correctly identified with "**Packard Radio TVRS**" or "**Radio GM**" along with the proper date code to match your car.

Date codes will read as such: 3 Q 67. The first number, "3" corresponds to the third quarter of the year. "Q" means quarter. The last number, "67", is the year, 1967. Thus, a cable marked 3 Q 67 was produced in the third quarter of 1967. You should order your spark plug wire sets with dates that are 6 to 12 months prior to the manufacturing date of your car. *Note:* wires were not dated on vehicles prior to January 1961.

1964-1966 Special, Skylark and GS.
