**SHOP MANUALS:** A Shop Manual is *ESSENTIAL*. This should be your very first purchase after buying your car. These fully illustrated books were originally developed by **BUICK** for trained **BUICK** mechanics. They offer in detail, description and analysis as well as maintenance and step by step overhaul procedures. All of our Shop Manuals are *Full Size* as originals and feature the clearest print and pictures available in a "xerox" type copy. The covers are "in color" and protected by a heavy clear plastic to keep them clean. As an additional feature, each manual is spiral bound in plastic for long lasting use.

**OWNERS MANUALS:** Originally placed in the glove compartment of each car. They contain a wealth of information on awareness, instruction and maintenance of your newly purchased car.
