Grand National/GNX.**

**We use it to paint the moldings around the  
windshield and backglass as well as all  
other "black" items**

## Buick Engine Enamel

We have been selling our own brand of  
paint for many, many years.

*People love our paint.*

**Our Enamels are the finest available.  
Very High Temperature.  
Can be easily Brushed or Sprayed for a  
beautiful finish.**

**Sold in Quart or Spray Cans.**

**\* Note: Paint cannot be shipped by Air.**

### ENGINE COMPARTMENT CHASSIS PAINT

*Our Satin Black Enamel contains the correct  
blend of dulling agents to give that "Authentic  
New Look". Use it on inner fender wells, under  
hood, radiator supports brackets, fan, air cleaner,  
etc. It is also correct for chassis.*
