

**SHOP MANUALS:** A Shop Manual is *ESSENTIAL*. This should be your very first purchase after buying your car. These fully illustrated books were originally developed by **BUICK** for trained **BUICK** mechanics. They offer in detail, description and analysis as well as maintenance and step by step overhaul procedures. All of our Shop Manuals are *Full Size* as originals and feature the clearest print and pictures available in a "xerox" type copy. The covers are "in color" and protected by a heavy clear plastic to keep them clean. As an additional feature, each manual is spiral bound in plastic for long lasting use.

**CD-ROM:** Most shop manuals on CD-ROM contain Buick production facts and figures, shop/service manual, body service manual, parts book, all applicable supplements, sales literature, product information and trivia. This is a complete package.

**FISHER BODY MANUALS:** These books are "Shop Manuals" for the Body of the car. Topics include Doors, Panels, Weatherstripping, Glass, Glass Channels and all interior.

**OWNERS MANUALS:** Originally placed in the glove compartment of each car. They contain a wealth of information on awareness, instruction and maintenance of your newly purchased car.

**CHASSIS AND BODY PARTS BOOKS:** These books were sent to **BUICK** dealership for their Parts Department Staff to recognize and identify parts. The illustrations within, enable you to find the "group" and "part number" of each part - then identify.
